### When Does the Next Boat Leave for Ithaka?

*Saturday, April 7th @ 2:00 PM*

Kathy Spirtes explores C.P. Cavafy's poem, Ithaka, using experiences from her own life's journeys.

A transplant from the South, Cotuit resident Kathy Spirtes has also lived as far north as Alaska. Formerly a CPA, she is currently the Treasurer of the Cotuit Library Association and a musician whose instrument is the hammered dulcimer.

### Deer Tick Talk with Larry Dapsis

*Monday, April 9th @ 6:00 PM*

Lyme Disease is the most prevalent infectious disease in Massachusetts and is now considered to be a public health crisis. In addition to Lyme, deer ticks can carry the pathogens which cause Babesiosis, Anaplasmosis, Relapsing Fever and Powassan virus, all of which can be very serious.

This program will review the basic life cycle and ecology of deer ticks, incidence rates and distribution of tick-borne illnesses in addition to a database under development on infection rates of ticks. A three point protection plan will be presented: Protect Yourself, Protect Your Yard and Protect your Pet. Tick-Borne Diseases are preventable.

Larry Dapsis has been an entomologist since age five. He has a B.S. in Environmental Science & Biology at Fitchburg State University and an M.S. in Entomology at the University of Massachusetts – Amherst. Larry also has thirty-six years of professional pest management experience including vegetables, cranberries and household insects. He joined Cape Cod Cooperative Extension in 2011 as Deer Tick Project Coordinator and Entomologist and is a member of the Barnstable County Task Force on Lyme and other Tick-Borne Diseases.

### C3: Ready for Robots?

*Tuesday - Friday, April 17th - 20th, 10:00 - 11:00 AM*

C3 is back this April Vacation, and this time around we're going to be doing some review from past coding camps and are going to apply our knowledge from games and puzzles to actual robots! From navigating mazes, to drawing robot-roads, to talking back to you: what can we make these robots do? This week's camp is for children ages 7-11, with a maximum of 8 students permitted.

Registration is required.

C3 is supported in part by the Friends of Cotuit Library.

### Stargazing at Lowell Park

*Thursday, April 19th @ 7:30 PM*

Join the folks from Cotuit Library as we turn our gazes skyward towards the stars! This is the first of several stargazing events we'll be holding for the summer months, and Cotuit Library has everything you need to participate! We have the telescopes, just bring yourself and your minds full of wonderment! (although all telescopes will be welcome!).

The rain date for this event will be Friday, April 20th @ 7:30 PM.

### Libby Ebook Class

*Wednesday, April 25th @ 1:00 PM*

Cotuit Library is now doing in-house tech classes on the last Wednesday of every month. This month we will be discussing the newest app from Overdrive for downloading free ebooks and audiobooks from the library, Libby. We request that you bring your own personal devices to practice on, but laptops are available for use at the library for those who need them.

Registration is required for attendance; maximum of 8 people per class.

### Perspectives and Poetry in Song

*Saturday, April 28th @ 6:00 PM*

Celebrate National Poetry Month with some local artists who put their words to song. The original music of Kim Moberg with Heather Swanson "speak to reunion, awakening and social consciousness.." Out Late's Diana Di Gioia shares her own stories in songs both wistful and sassy, from her Vermont childhood and her self-proclaimed late coming-out. Out Late is the trio of Diana Di Gioia, Melody Masi and J Hagenbuckle.

This concert is part of our Royston Nash Music Appreciation Series, supported in part by the Arts Foundation of Cape Cod, the Mid Cape Cultural Council, and the Kirkman Trust.

### Book Club selections for this month
