The Importance of Spiritual Support in End of Life Care

Monday, August 6th @ 6:00 PM

Kathleen O'Goley joins us at Cotuit Library for our Living Until the End Series with a presentation that will highlight the benefits of spiritual care by chaplains in hospitals, hospice and palliative care. Issues related to coping, grief and finding purpose will be addressed.

Summer Reading Program Wrap-Up

Tuesday, August 7th @ 3:00 PM

Come down to Cotuit Library as we wrap-up this year's Summer Reading Program. We had a good time rocking out the way libraries do this year, so join us for an ice cream social and the Cotuit Summer Reading Store for those who have attended the Summer Reading Program events this year. Close out the summer with Cotuit Library! Sponsored by the Friends of Cotuit Library Jeanne Flagler Lazor Endowment Fund and the Town of Barnstable Kirkman Trust.

Family Movie: Coco

Wednesday, August 8th @ 7:00 PM

Our last family movie of the summer for this year is Disney's hit movie, Coco:

"In Disney-Pixar's vibrant tale of family, fun and adventure, and aspiring young musician named Miguel (voice of newcomer Anthony Gonzalez) embarks on an extraordinary journey to the magical land of his ancestors. There, the charming trickster Héctor (voice of Gael García Bernal) becomes an unexpected friend who helps Miguel uncover the mysteries behind his family's stories and traditions."

Everything's Better with Age

Friday, August 10th @ 6:00 PM

The Living Until the End series continues with a casual night of things that get better with age: wine, cheese, and poetry. Join us for some light refreshments as we recite some poetry and writings on aging and the end of life. Bring some of your own work, a favorite from a writer you know, or just come to listen; all are welcome.

Stargazing at Lowell Park

Wednesday, August 15th @ 8:30 PM

Join the folks from Cotuit Library as we turn our gazes skyward towards the stars! This is part of several stargazing events we'll be holding for the summer months, and Cotuit Library has everything you need to participate! We have the telescopes, just bring yourself and your minds full of wonderment! (although all telescopes will be welcome!).

The rain date for this event is Thursday, August 16th @ 8:30 PM.

Inspired Funeral Options for Informed Mortals

Monday, August 20th @ 6:00 PM

Have you ever imagined what your own funeral might look like? Have you attended a funeral that made you want something *different* for yourself? This session will help you begin to imagine final arrangements that reflect your preferences and values. We will focus on less expensive and eco-friendly options and choices such as family-led deathcare, natural burial, and DIY memorial services. We will provide an overview of families' rights and options to care for and honor their loved ones with or without funeral home involvement. Come away with information and inspiration for an unconventional funeral that is as unique as the life it celebrates.

Heather Massey, MSW LMT is a Natural Death Care Educator, family deathcare consultant and funeral consumer advocate reviving the ancient art of natural deathcare. Jasmine Tanguay is a certified funeral celebrant and sustainable legacy planner, helping people and families create inspired end-of-life plans that honor the most meaningful parts of their lives.
