

The Cotuit Library, an independent, 501(C)(3) non-profit library, seeks an innovative and detail-oriented individual with the ability to communicate effectively in print and digital media and strong conceptual and organizational skills to serve as Development and Marketing Coordinator. The ideal candidate will be prepared to develop enterprising strategies for increasing the Library's fundraising ability and boost the visibility of its programs and services within the community through multiple marketing platforms while managing an accurate and up-to-date donor database.

Statement of Duties:

The Development and Marketing Coordinator coordinates and integrates the fundraising, public relations and marketing functions of the Library. The Coordinator is responsible for the design and maintenance of the Library's website, e-newsletter and social media posts, develops both digital and direct mail marketing strategies to increase the Library's donor base, works with the Board of Trustees' Fundraising Committee and Director to organize, promote and actively participate in Library fundraising events, maintains the online Flipcause donor database and performs other related administrative tasks. In coordination with the Adult and Youth Services Librarians and the Director, the incumbent creates and markets Library programs and services to enhance the Library's usage, visibility and stature in the community through digital and traditional PR outlets. The Coordinator also assists in securing funding opportunities to support these services through grants and sponsorships. This position reports to the Library Director.
