# ABOUT Us

The Friends of the Cotuit Library is a volunteer 501c(3) non-profit organization comprised of individuals, families and businesses who share an appreciation of the value of the services that the Library provides and a common goal to preserve the Library for future generations. Funding provided by State, Town and the Fire District comprise only half of the Library's annual budget. To keep the Library operational funds are raised through grant applications, general and memorial donations, fundraisers, the Annual Appeal - as well as the financial support and gifts-in-kind from the Friends.

Membership fees help the Friends fund the first \$10,000 we donate each year to the Cotuit Library to support operations. Individual memberships of \$30 or family memberships of \$40 account for one-third of this commitment. Our goal is to give the Library far more than \$10,000 to support selected programs. We also underwrite the cost for museum passes, children's summer programs, supplies and unanticipated needs not covered by the Library's budget.

[www.cotuitlibrary.org/friends.html](http://www.cotuitlibrary.org/friends.html)

The Friends Membership comes with benefits such as Luncheon Speaker discounts and merchandise sold at events or the library.

The Friends of the Cotuit Library is a 501(c)3 non-profit organization. Contributions are tax deductible.
